

ETERNAL SALUTE

Preserving Legacies in the Classroom

AMERICAN HISTORY

Lessons included in the Eternal Salute Lesson Plan Gallery range in history from the WWII era to the Cold War. These lessons reflect not only war related themes, but on social and economic issues as well.

INTERDISCIPLINARY

The Eternal Salute Lesson Plan Gallery includes lessons in social studies, English, math, science, health, and P.E., as well as general lessons on veterans and the military to allow their stories to be told in every classroom.

PRIMARY SOURCES

Each ready-to-use lesson plan begins with a short video of a veteran telling his/her story of service, as well as the implementation of a variety of primary sources to allow students to learn to think like historians.

Honoring Veteran Legacies is committed to honoring our senior veterans in their communities and beyond and to guard and preserve their legacies for future generations.

“

I selected the lesson plan "I'll Never Forget" because I knew my 6th grade students would enjoy hearing the "Chick Magnet's" story. What I loved about the lesson plan is that it was ready to go. Everything was right there for easy implementation. My students loved Mr. Callander's story and had a great time coming up with lyrics to a song that depicted his time in the war. Some students took a different route and asked if they could draw a photo of Mr. Callander's life in the military. The lesson plan allowed me to make these spur of the moment changes. I will continue to use Eternal Salute and spread the word to my colleagues."

*Kellye Cuzzort
Monrovia Middle School*

85%

of students say the use of primary sources in the classroom makes learning more relatable as well as increases their retention levels.

#1

Primary sources are the number one way to develop students' skills in interpreting evidence, a vital 21st Century skill.

“

It was an honor to tell my story for the Honoring Veteran Legacies Eternal Salute program. It is important for future generations to understand the sacrifices made by others, and to understand the circumstances in which those sacrifices were made.
